December 4, 2014

To Whom It May Concern:

This is to acknowledge that Professor Roger Z. Rios and Professor Fernando Camacho had a research stay in our group at the University of Texas at Austin from December 1 through 4, 2014. We discussed issues about our ongoing joint research on competitive facility location problems and districting plans in the recycling of waste electric equipment.

Sincerely,

A handwritten signature in cursive script that reads "Jonathan F. Bard".
