Scholar Alert: Documents citing "A reduction technique for natural gas transmission network optimization problems"

[Optimization of natural gas transmission network using genetic algorithm](#)

AA Jamshidifar - *Intelligent Systems Design and Applications (ISDA), ..., 2011*

Abstract In this paper, an Evolutionary approach for optimization of cyclic Gas Transmission Network (GTN) is presented. The GTNs comprise of nodes, links, compressor stations and valves where the last one is a main component of GTNs which generally not considered in ...
