Scholar Alert: Documents citing "Efficient operation of natural gas transmission systems: A network-based heuristic for cyclic structures"

[\[PDF\] Operation Optimization Method on Saving Compressor Energy of Natural Gas Pipeline](#)

Y Xu, W Liu, C Shi, W Li...

ABSTRACT The long distance gas pipeline compressor is a large-scale energy consumption equipment, the operation energy consumption of compressor station account for more than 70% of the operation energy consumption of the gas pipeline system. In the ...
